**We understand your world.  
And we see things from your perspective...**

Striving to be your everyday partner, we're not just an animal pharma company. We're the veterinary professional's company. Veterinary professionals always put animals first. That's why we put them first.

**The Veterinary Perspective.**

# Commitment to delivering excellence

Dechra is a global veterinary pharmaceuticals company who is committed to helping you care for animals. By working closely with veterinary practices across New Zealand, we ensure you have access to highly effective products, exclusively for veterinarians, that have a proven track record and the very highest level of support materials and education.

Our key areas of expertise span endocrinology, dermatology, cardiology, antibiotics, equine medicine, anaesthetics and analgesics. Some of our major products include Vetoryl®, Felimazole®, Cardisure®, Equipalazone®, Canaural®, Cyclo Spray®, Propan B, Altreno, Sulpha-T, Isaderm®, and Conoptal®
